# ACCESS CONTROL SOFTWARE

SIMPLE, SCALABLE AND ALWAYS AVAILABLE

Access Management System

The Access Management System is your choice for medium to large sized access control solutions such as office buildings, educational institutes or hospitals. It supports up to 400,000 cardholders, up to 10,000 doors, up to 40 workstation clients and up to 400 divisions.

Highest resilience based on three layers

Third layer	**AMS** server	Constant operation
Second layer	**MAC**	Redundant services
First layer	**AMC**	Offline operation
	Readers	

Simplicity
