

# Integrated features With Genetec Security Center

## Video Security

### Video security

---

#### Video Analytics events and overlays

---

Events – Alarm triggering

Automatic alarm follow up

Visualization of object shapes and trajectories

Metadata fusion

Video Analytics while moving (PTZ)

#### Image quality

---

starlight

High resolution picture quality

Onboard & client side (basic) dewarping

#### Data management

---

Intelligent Dynamic Noise Reduction

Intelligent streaming

H.265 encoding

Dynamic Transcoding

Video Recording Manager  
(Not with data security)

#### Data security

---

End-to-end solution

## Intrusion Detection

### Intrusion alarm systems (B/G series)

---

Auto discovery of intrusion system entities

Federated video of intrusion panels

Real-time status monitoring

Manual or automatic control

Event monitoring

Video verification

## Public Address

### Public address (PAVIRO)

---

Send messages or announcements to different zones

Program different zones as extensions on  
Bosch PAVIRO

The system indicates what number to dial in  
order to reach the desired zone

## Fire Systems

### Fire alarm systems

---

Detect fire or smoke with Intelligent Video Analytics  
(AVIOTEC)

FPA-5000 modular fire panel

---

## Genetec solutions with Bosch IP cameras

### Restricted Security Area (RSA) maps

---

Visualization of moving objects on geographical maps

### Stratocast (Cloud-based video monitoring)

---

Integration of Bosch cameras
