Product Life Cycle Announcement
Bosch Video Management System (BVMS)

DATE
TUESDAY, 02 AUGUST 2022

AFFECTED PRODUCT:
BVMS 10.1, 10.1.1

SUCCESSOR PRODUCT:
BVMS 11.0, 11.1.1

LIMITED SUPPORT START DATE
2022-08-21

REASON FOR LIFE CYCLE UPDATE

As BVMS 10.1 (including Technical Update of 10.1.1) reached Limited Support phase, according to Software Service and Support Policy, new BVMS 10.1 systems cannot be ordered anymore, but existing systems can still be expanded until BVMS 10.1 reaches its End of Service date.

No new hotfixes will be provided for BVMS 10.1 / 10.1.1 version. In order to keep receiving full support and patches, customers are strongly advised to upgrade their systems to the later version.

Installation files will be removed from the Product Catalog and Downloadstore and if required, can only be requested via technical support.

Please always refer to Software Service and Support Policy to get an updated overview and explanation of the phases for each BVMS release.
